About College <ul style="list-style-type: none"> • Founded in 1838, Acadia University is one of the oldest and most respected liberal arts universities in Canada. Located just a one-hour drive from Halifax, Nova Scotia and its international airport, Acadia is an integral part of the quintessential college town of Wolfville, overlooking the Annapolis Valley and the Bay of Fundy. When you step onto campus you enter a world of opportunity. • By choosing Acadia, you have opportunities to work closely with professors, volunteer in the community, study abroad, enjoy co-op placements, and be engaged in real-world research. Acadia's four faculties – Arts, Pure and Applied Sciences, Professional Studies, and Theology – offer more than 200 degree combinations in its undergraduate academic programs and graduate programs. Some of our most popular majors are in biology, marketing, English, psychology, environmental studies, and kinesiology. • An education at Acadia University is one of the most valuable investments our students can make in their future. Each year our Financial Aid Office awards more than \$4.5 million in scholarships, scholar-bursaries, awards, and prizes to new and returning students. We are thankful to have alumni and friends who generously support Acadia students. • Acadia's 12 residence buildings range from high-rise to heritage and from basic double rooms to deluxe singles in suites. Each residence has a team of residence assistants who build and maintain a sense of community and work with security staff to provide 24/7 campus safety. 80% gets employed of ACADIA'S Program. \$10,000 average earning per work term
